

Te Kauwhata College Enrolment Scheme

This notice is to advise that the Ministry of Education has identified that Te Kauwhata College is likely to be overcrowded and has given the school board notice of this.

After consultation with the board, we have developed a proposed enrolment scheme for Te Kauwhata College under section 72 of the Education and Training Act 2020.

Why we are consulting?

We are consulting with the school's community and with people living in the area for which the school is a reasonably convenient school. The enrolment scheme could affect which school a student will be entitled to enrol in, or school transport entitlements.

Community Consultation meeting details:
