- As of Monday, students who are rostered on to attend school, will be in timetabled classes. The hall will be used as an emergency measure to group some classes where teachers are away sick.
- As of Monday, there will be no face/face online teaching. The expectation of teachers will be that there are tasks available online for all subject areas. These tasks will be a continuation of what has been taught in class.
- We expect students who are well, to attend school. If they are sick, they are expected to stay at home. If they are close contacts, they can do the online tasks or collect hard packs from school.
